SEAGLESOLUTIONS.COM

**Seagle Payment Solutions offers an innovative payment platform, providing a zero interest payment plan solution for Dealerships looking to increase volume and profitability on their Service Contract sales.**

### **YOUR EXTENDED WARRANTY SERVICE, PAYMENT PLAN SOLUTION**

-  WEB-BASED PAYMENT PLAN SUBMISSION
-  THE SEAGLE PLATFORM IS SUBJECT TO REGULAR AND THOROUGH REGULATORY OVERSIGHT AND AUDITS
-  INCREASE SERVICE CONTRACT SALES AND PROFITABILITY
-  LOWER FEES THAN COMPETITORS

Additionally, WebView and Automated Voice systems are designed to offer detailed account information to help both dealers and customers easily access and manage their accounts.

Our WebView portal makes it easy to manage your accounts - one click away. Our functionality allows you to run on demand detailed reports, process payments, defer or change a due date or communicate directly with our team.

## **AFFORDABLE**

We offer zero percent plans with flexible payment options and terms up to 24 months.

## **FRIENDLY SERVICE**

Our customer service staff makes courtesy retention calls, provides notices, and invoices to keep customers on track while avoiding cancellations.

## **SAFETY**

Our customers' privacy and sensitive information is top priority. We do not sell or share any customer data.

Seagle Payment Solutions combines the business foundation of a payment service company with a national footprint under Seabury Asset Management LLC, a subsidiary of New York-based Seabury Capital LLC.

Seabury Capital operates a number of specialty finance, investment banking, technology and software companies with a core focus anchored in aviation, aerospace & defense, maritime, and financial services/technology. In addition, Seabury Capital owns and operates FINRA regulated investment banking services firms in the U.S. and U.K. serving external clients as well as assisting the companies in which Seabury Capital has invested.
